Join us for our Book Club meeting at Sam's Cafe Primrose Hill in London NW1 where we are exploring the output of the School of Life. These evenings are an opportunity to connect with like-minded individuals and explore the meaning of life.

The School of Life was established by Alain de Botton in 2008 with the self-declared mission to direct students toward "a variety of ideas guaranteed to stimulate, provoke, nourish and console." Their thinking draws on psychology, psychotherapy, philosophy, art and culture.

Future 2025 dates include; 12th May (Chpts 9 – 13), 29th September (Chpts 14 – 17), 24th November (Chpts 18 – 21)
